community**

**Saturdays 10am, Common Room St
Augustine's Catholic Church**

We are delighted to share with you "BailaYCantaManchester" a new project located in our church.

A fantastic opportunity for babies/toddlers (6 months – 4 years old) and their carers to have fun together in a weekly class where we will dance, play instruments, and sing in Spanish and English. The aim of this project is to stimulate the cognitive, psychomotor, and social / emotional development of the little ones, while they learn Spanish and we create a parent support community.

Help for families in crisis

As people continue to struggle with the financial impact of the pandemic, or with illness and unemployment, we remind parish priests and head teachers that they are still able to access funds secured by Caritas Salford's team for families in-crisis.

The application form and eligibility criteria are available

November – Holy Souls: Put the names of any deceased person for whom you wish to pray in one of the envelopes provided in the porch of the church, and hand it to Father Michael. They will be placed before the altar, and those people will be remembered at Mass this month. If you would like to include an offering in the envelope, that would also be appreciated.

Word this week: Jesus is the king of the universe. But he is not the king the world expects. He is the servant king. He is the king who suffered, died and rose again. So, his kingdom is one of peace and love, of humility and sacrifice. We all share in his kingdom. And we all share in the mission to proclaim his kingdom of love and peace. We do this by recognising that Jesus is our one true king. Is Jesus the only thing that rules in my life?
